Quilting the Kaye Wood Way

Kaye simplifies the quiltmaking process by eliminating the slow-downs.
Her patterns are very technique oriented—techniques for cutting, sewing and pressing.
As a Certified Teacher, you will know these techniques and be able to share them with your students.

Teacher Certification Program
Areas of Study

You will be certified to teach in <u>one</u> of the following Areas (chosen by you).
The Starmaker Master Templates and the View & Do Shapes will be available for use in class.

Choose from the following Areas of Study.
All areas contain beginning through more advanced classes.
After making your Area and project choice, you will be sent a fabric list.
Your teaching sample will be made in class.
You will be certified to teach all patterns in your chosen Area of Study.

.....

Choose ONE Area of study and then ONE project in that Area.

Click on the Area of Study to see the quilt projects and fabric requirements.
