

Quilting the Kaye Wood Way

It's the Technique that Makes It Easy!

Lecture/Demo/Trunk Show
by Kaye Wood

Always something new!

You've seen Kaye strip her quilts for 40 seasons
on PBS-TV on Kaye's Quilting Friends.

Now watch her strip in person.

**Step-by-steps to show matching seamlines without pinning, anchoring seams,
perfect Y-seams, tumbling blocks without Y-seams,
cutting and sewing hexagons with perfect inside points, and lots more.**

Making quilts can be easier than you think with Kaye's original techniques.

Something for everyone—from beginner to advanced.

For pointless or pointed people!

Lots of ideas for that next project!

Learn to eliminate the slow-downs in quiltmaking.

Our Goal: NO more ripping!

**Kaye also shares some of the funny things
that have happened to her along the quilting road.**
